Subject: Export Administration Regulations (EAR) Compliance Statement Company Declaration

To Whom It May Concern:

AdvancedPCB is committed to complying with the applicable requirements of the U.S. Export Administration Regulations (EAR), 15 CFR Parts 730–774, administered by the U.S. Department of Commerce, Bureau of Industry and Security (BIS).

For the entity and facilities identified above, AdvancedPCB maintains procedures and controls designed to:

- Determine the applicable export jurisdiction and classification of products, software, and technology.
- Screen transaction parties, destinations, end uses, and end users against applicable restrictions.
- Determine licensing requirements and obtain required authorizations before an export, reexport, transfer, or release occurs.
- Controlling access to technology subject to the EAR, including releases to foreign persons when authorization is required.
- Provide relevant employee training and retain required export compliance records.
- Escalate potential compliance concerns for review and corrective action.

This statement is a company declaration based on AdvancedPCB's review of its applicable export compliance controls. It is not a U.S. government certification, approval, or export authorization. Specific transactions remain subject to applicable classification, screening, and licensing determinations.

Sincerely

A handwritten signature in black ink that reads "Lorraine Hook".
